*Praise for Nancy Naigle*

"The camaraderie of a small town is captured in all its glory in this story of rediscovered love, lies and deceit. Trust comes in small doses and is lost just as easily as the clever plot unfolds, especially when unusual characters provide surprises." —*RT Book Reviews on Sweet Tea and Secrets*

"Absolutely delightful, feel good story about small town living, sweet romance, and even a little mystery to solve." —*Books and Spoons on Barbecue and Bad News*

"[A] great romance that is emotionally charged from the first page." —*Harlequin Junkie on Wedding Cake and Big Mistakes*

*About Until Tomorrow*

After yet another heartbreak, Flynn Crane is pretty much done with dating. She's not even sure she can keep her grandparents' struggling bed-and-breakfast afloat. But just as she's about to give up on both her business *and* her dream of settling down in Boot Creek, Ford Morton walks back into her life.

Even from thousands of miles away, Ford never forgot the spark that ignited when he first met Flynn. Now a monthlong artists' residency near Boot Creek gives him the perfect opportunity to find out just *how* intense the fire between them can get.

Neither of them expected just how that little spark would turn into heated passion. With Ford's return to Alaska looming near, Flynn is torn between her life in Boot Creek and a chance to move to the wilderness for love. Can Ford and Flynn find a way to share tomorrow together—before they both lose their hearts in Boot Creek?
