**A second chance at love awaits two brokenhearted people if they're just willing to trust each other—and themselves, in *USA Today* bestselling author Nancy Naigle's *The Wedding Ranch*.**

When Lorri Walker's husband gifted her with a mastiff puppy on Valentine's Day, she believed he was recommitting himself to their marriage after going astray.

Six months later, he left both her and their dog for someone else. Since her recent move to Dalton Mill to unbraid herself from the past, Lorri's graphic design business is now flourishing, her growing mastiff, Mister, has plenty of space to romp, and her ex in Raleigh can fade to a distant memory

Ryder Bolt is haunted by the tragic loss of his wife and young son seven years ago. Thankfully, ranching keeps Ryder busy, and spending time with his niece and nephew—whose venue, The Wedding Ranch, has become a popular tourist destination—keeps him from getting lonely.

When Lorri and Ryder met, love was the last thing they were looking for. When they're together, smiles come easier and burdens feel lighter, and both are embracing the possibility of something deeper.

But when a long-buried revelation surfaces, the fate that brought them together threatens to tear them apart.
